

# Custom Aesthetic Groove Kit Order Form

These kits are used to add custom aesthetic grooves to your EIFS project. V and Angled Groove Kits come with a pack of 3 blades and one nylon sled that is used for both the base and finish coats. Beveled and Square Groove Kits come with a pack of 3 blades and two sleds, one for the base coat and one for the finish coat. In addition, you will need a HKTCCR Hot Knife, the CR6G groove sled and a Groove Tool Handle. GTH02.

Complete the order form below and submit to Demand by fax 1-888-534-8383 or e-mail — [sales@demandproducts.com](mailto:sales@demandproducts.com). A member of our customer sales support team will respond with pricing information.
